TRUSTING

IN ALL THINGS
WINTER CAMP 24

Dear Students and Parents,

Thank you for your interest in our Winter Camp. Winter Camp is a yearly highlight for our ministry. It is such a blessing for our students to get away and focus on their walk with the Lord.

Life is full of surprises. Ups and downs. Twists and turns. All of it can be overwhelming at times. And it can even feel like things are spinning out of control. The teenage years are full of these tumultuous and challenging times.

Unfortunately, often times teens turn to all sorts of worldly things to deal with the difficulties of life. The solution is to TRUST GOD in all things. Through whatever you may face, you can trust a sovereign, holy, and loving God.

I am looking forward to the weekend and I pray you are too!

In Christ,
Pastor John

TRUSTING GOD IN ALL THINGS

WINTER CAMP 24

Ponderosa Camp Grounds February 9-11 \$135

Students, grades 7th-12th, come join Parker Bible Church, Cross and Crown Church, Parker Hills Bible Fellowship, and Southside Bible Church for a jam packed weekend of teaching and activities at Ponderosa Camp Ground. Our four churches have partnered together for this event because we share a common commitment to expository preaching, discipleship, and rich conservative theology. Pastors from all four churches will preach during the weekend and worship will be led by Cross and Crown Church.

Theme: *Trusting God in All Things*

We will cover four primary areas of life we are to trust God with. From our salvation to suffering, we are to lay it all at his feet and trust in his goodness. Simple and humble trust is the secret to successfully navigating the sometimes turbulent waters of life. The earlier in life a Christian can learn this truth the better. Our prayer is that each student will begin to see their great need to trust God in all things.
